

You're Sitting on a Compliance Goldmine—Now Let's Turn It Into a Profitable Business

 ***Done-With-You System to Launch a High-Demand, Low-Competition Service in Just One Weekend***

 ***Introducing the Compliance Copy Agency Kit™:**

The Fast-Track System for Launching a 6-Figure AI-Powered Copy Service—Even If You've Never Had a Client Before*

You've learned how to write ad copy that passes Facebook's tough-as-nails approval process.

Now imagine offering that skill as a **done-for-them service...**

- To coaches and course creators frustrated by sudden disapprovals
- To ecom brands terrified of getting shut down during launch week
- To ad buyers who are sick of flying blind through policy landmines

They don't know how to stay compliant. **But you do.**
And they'll *gladly* pay you to fix it for them.

Stop Just Using the Tools—Start Monetizing Them

The **Compliance Copy Agency Kit™** gives you everything you need to launch a **real service-based business**—powered by the GPTs you already own.

This isn't just about “writing better ads.”

It's about **building a service brand** in a space that's exploding in demand (and practically empty of real pros).

No fancy credentials. No ad spend. No guesswork.

Just plug in the system. Run the scripts. Deliver the results.
And get paid like a pro.

What's Included in Your Agency Launch Kit:

Copy Clinic GPT

Audit & clean up your clients' entire ad campaigns in seconds.
From headlines to CTAs—Offer-safe. Policy-clean.
Conversion-strong.

Client Intake Assistant GPT + Form Templates

No awkward calls or back-and-forth.

Just send a link. Clients fill it out. GPT collects what you need to get started fast.

SOP Library: Done-for-You Delivery Framework

Even if you've never run a service before...

These **step-by-step SOPs** walk you through every part of the process:

- Audit
 - Rewrite
 - Deliver
 - Get paid
- Repeat.

Full Resell & Client Use Rights

Use the tools in your service business.

Resell them as standalone offers.

Or bundle everything up into your own **compliance copy offer**.

It's white-label freedom—done the smart way.

Why This Offer is Different from Every “Side Hustle” Course You’ve Seen

Most “start an agency” kits give you vague advice and a Canva logo.

This one gives you **actual GPTs, client workflows, delivery templates**, and **real-world rights** to use, sell, and profit.

And instead of needing months to “ramp up,” you’ll be fully ready to:

- Launch a compliance ad review service
- Fix policy-flagged offers in under 24 hours
- Sell these GPTs as your *own tools* to business owners who desperately need them

Here’s Who’s Begging for This Service Right Now:

- ✓ Coaches & consultants running ads with risky claims
- ✓ Ecom founders in health, skincare, or supplements
- ✓ Agency owners looking to protect client accounts
- ✓ Course creators who can’t say “income” without getting flagged

All of them have the same question:

“Can you help me get this ad approved?”

Now your answer can be: **Yes. And it’ll be compliant, persuasive, and ready by tonight.**

Start Small. Grow Big. And Keep Every Dollar.

You don't need to hire a team.

You don't need tech skills.

You don't even need to advertise this service at scale.

You need one client who says yes.

Then another. Then a referral. Then... well, you know the rest.

With 100% resell and usage rights, this kit gives you **unlimited earning potential**—from one of the highest-demand skill sets online right now.
