

Your Ad Copy Might Be Costing You More Than You Think...

 **What if You Could Keep Your Edge—and Still Fly Under Meta’s Radar?**

 ***Introducing the OfferCleanse GPT Toolkit™:**

The Secret Weapon for Bold Marketers Who Hate Getting Banned*

If you write offers in the **health, wealth, coaching, or personal growth** space, let’s be honest...

You’ve probably asked yourself:

“How far can I push this copy before Meta freaks out?”

Or worse—

“Why the heck did my ad get rejected *again*?!”

You're not alone.

Meta’s policies are stricter than ever. But guess what?

You *can* write strong, persuasive copy **and** stay compliant.
You just need the right tools.

 **Clean It Up Without Cutting It Down**

The **OfferCleanse GPT Toolkit™** is like a digital red pen...
Trained in both **compliance law** *and* **direct-response psychology**.

Instead of watering down your message or guessing your way through vague “community guidelines,” this AI-powered tool does the smart editing for you.

It doesn’t censor. It sharpens.

Here’s What You Get Inside the Toolkit:

OfferCleanse GPT Assistant

Tell it what your offer is. Paste in your risky headline or body copy.

Get instant, human-sounding rewrites that **keep the sale**, dodge the ban.

The Offer Detox Checklist

A pre-flight checklist for your ad copy.

Scan your offer for **21 silent killers**—the most common triggers that get ads flagged or disapproved.

Before & After Swipe File

Want to see the difference?

This swipe file gives you **real-world examples** of “Facebook-red” copy rewritten into “Facebook-green” gold.

Full Resell Rights

Yes, really.

Use the toolkit to fix your own ads—or sell it to clients, bundle it with your own service, or add it to your agency's stack.

No license. No restrictions. 100% yours.

Why This Toolkit is a Must-Have for Every Copywriter & Ad Buyer

Let's face it...

Meta's compliance team isn't reading between the lines.

They're scanning for red flags.

Say the wrong word, even once—and boom:

- Ad denied
- Account flagged
- Business Manager restricted
- ROAS wiped

OfferCleanse GPT exists to *prevent that trainwreck*.

Whether you're writing cold traffic ads, retargeting, VSLs, or landing pages—this toolkit helps you keep your **message strong and your ad account safe**.

Use It For Yourself. Or Resell It for 100% Profit.

Here's where it gets even better:

You get full resell rights.

That means you can:

- ✓ Sell the toolkit as a standalone digital product
- ✓ Offer it as a “compliance bonus” for your audience
- ✓ Bundle it into your copywriting, funnel, or ad service packages
- ✓ Keep 100% of the revenue—no royalties, no strings attached

You're not just getting a safety net. You're unlocking a new stream of passive income.

No More Guessing. No More Rejections. No More “Scary Emails” from Meta.

This is your **conversion insurance**.

It's the invisible forcefield that protects your business from the platform you rely on most.

And unlike policy PDFs, generic checklists, or shady advice from Facebook groups...

OfferCleanse GPT actually *does* the work for you.
